Thursday, 31st May 2018 to Tuesday, 5th June 2018

Thursday, May 31, 2018 - Johannesburg

Welcome to the **GIVE Movement Journey to Africa**. This is a transformational experience that 'Suzanne Evans Company' has put together in partnership with Hills of Africa Travel to create movements that make a difference. This trip once again combines '**Hell Yeah! We Care**' with the **Global Impact Project**. You will learn more about yourself than you ever knew, you will be helping others to make a difference and your life will be forever changed. We are thrilled to have you join us on this journey! Leading this journey from The Give Movement will be Suzanne Evans, along with Hills of Africa Travel.

Welcome to Africa. Once you land at Johannesburg International Airport, you will be met at the end of the aircraft tunnel and **assisted by VIP Assistance through Customs & Immigration.**

IMPORTANT INFORMATION - US passports do not require visas to enter South Africa BUT must have at least two empty pages in their passports for each country visited. Passports must be valid for at least 6 months from the date of departure from the last country visited.

You will then be helped to collect your luggage and proceed to the Arrivals Hall.

In the arrivals hall, you will be met by your **Hills Of Africa Travel** representative (look for your name on a sign) who will transfer you to **The Residence Boutique Hotel**.

The Residence Boutique Hotel Houghton

A warm, hospitable welcome awaits you at The Residence, located in the historic suburb of Houghton, which is also home to many famous residents including former President Nelson Mandela. The Residence exudes a charming air of quiet dignity, with an abundance of bougainvillea blossoms cascading down the terraced gardens. This is a blissful oasis where guests are treated with personalized service and are invited to make themselves at home.

Friday, June 01, 2018 - Johannesburg

This morning you will be collected from the hotel lobby by your private guide and taken to **The Apartheid Museum**. Your guide will help you to check in and then you can wander around at your leisure.

Apartheid Museum: The first of its kind, this newly built museum offers an unbiased account of South Africa's history over the past century, eloquently highlighting our country's social and racial dynamics and celebrating our miracle arrival at democracy. The architecture of the venue is stark and uncompromising, bringing to mind cold prison cells where many people were detained without trial. The tone of the museum is unapologetic and objectively presents apartheid's strict segregation policies without preaching or playing to your emotions. The experience may be traumatic for some, but is ultimately reconciliatory, with a huge piece of the museum devoted to the release of Nelson Mandela. It's an emotional and uplifting experience; one which will linger long after the tour has ended.

Following your visit to the Apartheid Museum, you will enjoy lunch at **Wandies Place**, a cozy restaurant in the middle of Soweto popular with both locals and tourists alike. The restaurant has hosted international stars such as Richard Branson, Evander Holyfield, Jesse Jackson, Quincy Jones and the All Blacks rugby team.

For those who seek a touch of the exotic, Wandies serves local cuisine in the form of a buffet. The dishes includes mutton, lamb, beef or chicken. Vegetarians are catered to as well.

Later this afternoon you will return to **The Residence Hotel**.

Our group will enjoy dinner together this evening at The Residence. This will give us all the chance to talk about what is to come as our journey continues to Victoria Falls tomorrow.

Meals included: Breakfast, Lunch (Wandies), Dinner

Saturday, June 02, 2018 - Victoria Falls

Victoria Falls Hotel

The Victoria Falls Hotel, popularly known as "the grand old lady of the Falls," is situated in the Victoria Falls National Park, a World Heritage Site, and is a member of the exclusive Leading Hotels of the World group. It is one of only three 150-accredited hotels in Zimbabwe.

The Edwardian-style five-star hotel, built in 1904, was recently redecorated and refurbished and now combines the charm of the old with the convenience of the new. Set in lush tropical gardens with lily ponds, palm trees and semi-tropical shrubs, it provides the tranquility and seclusion that many guests seek.

The famous Victoria Falls, referred to by locals as "the smoke that thunders," is just a ten-minute walk away using the hotel's private pathway.

World-class service, and food and beverage choice and preparation, make the hotel a magnet for international visitors and locals alike. There are a variety of restaurants to choose from and there is always something to please everyone. The Livingstone Room is known for fine dining and dancing; the Jungle Junction is famous for its decadent breakfast and dinner buffets, as well as ethnic entertainment in the evenings; and Stanley's Terrace, is celebrated for its clear view of the Victoria Falls Bridge, connecting Zimbabwe and Zambia, and is also renowned for its cocktails and afternoon teas. The Terrace has been a rendezvous for adventurers in Africa for over a century.

Accommodation: deluxe room, stable wing on a bed and breakfast rate for 3 nights (single supplements will apply)

Tour of the Falls - This afternoon, you will be taken on a **private guided tour of Victoria Falls, one of the 7 Natural Wonders of the World**. . The sights, sounds, and aromas of the Falls are truly an awe-inspiring experience that provokes humbling feelings from within - here, indeed, is nature's supreme masterpiece. No photograph can begin to depict the reality, and nothing prepares you for your first sight.

After visiting the Victoria Falls we will be taken to the Womens Curio Market in the Traditional Craft Village.

This is our first introduction to the women we will be working with in Victoria Falls. Please come with open minds and open hearts - take some time to learn about the women here and the role they play in their family households. Enjoy wandering around the market, so you can learn about their livelihoods and also spend some time thinking about how we can help them to sell more arts and crafts. There will be local people in the village performing traditional skills such as carving, basket weaving and even cooking.

After our Tour of the Falls and Womens Curio Market visit, we will hop on our bus to Ilala Lodge where we will relax and enjoy a private cocktail reception and dinner at The Palm restaurant.

After dinner, we will take the bus back to the Victoria Falls Hotel.

Meals included: Breakfast, Lunch (on plane), Dinner (The Palm)

Sunday, June 03, 2018 - Victoria Falls

Be prepared to change your life and someone else's today. This morning you will be transferred to Chinotimba Township for your morning session with The GIVE Movement and the ladies we will be sharing with and learning from. Today's focus will be on listening. Our role is to evaluate what has worked for the women over the past year, what new issues have come about and how we can help facilitate them finding their own solutions. Remember: these women have as much to teach us (if not more!) than we have to teach them. Take note of their overwhelming gratitude for your support and aim to mirror the same.

Lunch will be provided for the ladies by our group before they return to their markets for the afternoon tourists. We will then be transferred to lunch.

Lunch today will be served at The Lookout overlooking the Victoria Falls Bridge and the gorge.

This afternoon is at your leisure. Maybe today is the day you take a jump and soar across the 300-meter Batoka Gorge, visit a local village, or simply rest and enjoy the Victoria Falls Hotel. **If you are interested, reach out to your Hills of Africa Travel representative for more details on booking a supplemental afternoon activity. (Additional costs will apply.)**

This afternoon at about 4pm, we will meet in the Victoria Falls Hotel Lobby.

Sunset Cruise - This afternoon, we will be collected from the hotel lobby and driven to the Zambezi River above the Victoria Falls for a **3-course dinner and sunset cruise**. You will enjoy cruising the placid, upper Zambezi River and celebrate the setting African sun setting on the river. Share in the end-of-day ritual which sees wild herds streaming to the river banks for their last drink. Flocks of birds skim the waterline as the sun sets behind the African skyline. Bring a camera and create your own golden memories as you look for wildlife. You may have the opportunity to see a variety of game; including hippo, crocodile and elephant swimming across the Zambezi. While aboard we will also enjoy a **delicious 3-course dinner**. (Local house wine during dinner, full cash bar available for duration of cruise & dinner)

Meals included: Breakfast, Lunch (Lookout Cafe), Dinner (Sunset Cruise)

Monday, June 04, 2018 - Victoria Falls

This morning we will meet in the lobby and be transferred to our morning session with The GIVE Movement and the women of Victoria Falls.

Today you will work more closely with the women of Zimbabwe on helping them to learn new strategies for their business and creative solutions to their problems with a clear and detailed action plan for their next week, month and year. Spend today thinking about your own businesses. Notice how these women are showing up everyday -- their unwillingness to give up, their unquenchable thirst for knowledge and their immense gratitude for every piece of business education -- and how it could transform your business if you applied even a fraction of their tenacity.

Lunch will be provided for the ladies by our group before they return to their markets for the afternoon tourists. We will then be transferred to lunch.

Lunch today will be served at Zambezi House.

This afternoon you are free to enjoy the Victoria Falls Hotel or take part in an afternoon activity. **If you are interested, reach out to your Hills of Africa Travel representative for more details on booking a supplemental afternoon activity. (Additional costs will apply.)**

This evening, we will meet in the lobby of the Victoria Falls Hotel to be transferred to our special dinner with Aunt Flatter.

On the outskirts of **Victoria Falls Town is Chinotimba Township** which is where a lot of Zimbabweans working in the tourism industry in Victoria Falls live. It's a friendly township with proper houses rather than shacks and it is here that **Aunty Flatter and her likeminded neighbors have started their own businesses.** They welcome you into their homes to interact in an informal way and learn more about each others' countries, cultures and traditions. As Flatter's daughters prepare a tasty traditional Zimbabwean meal, you are able to ask questions - and be prepared to answer some as well! The food ranges from **beef and chicken stews to peanut laced pumpkin, mopane worms and the traditional sadza** which is a corn flour mash and the staple food in many countries in Southern Africa. Expect a unique experience for the next few hours!

Meals included: Breakfast, Lunch (Zambezi House), Dinner (Aunt Flatter's)

Tuesday, June 05, 2018 - Johannesburg

Today is our last day on this amazing journey where we have learned so much about ourselves, our business and those with whom we have interacted. Our lives will be forever changed in the most amazing way!

This morning after breakfast, you will be collected from the hotel lobby and driven to the **Victoria Falls Airport**, where you will connect with your international flight to **Johannesburg, South Africa** (This flight needs to be booked and is not included in the itinerary price.)

We recommend booking the following flight:
